PROFILE

I am Motivated and eager beginner seeking an paid internship opportunity as a frontend developer. Proficient in HTML, CSS, JavaScript, and React, I possess a strong foundation in frontend technologies and a drive to learn and grow within the field. With a keen eye for design and a passion for crafting intuitive user experiences, I am excited to apply my skills in a professional setting while gaining hands-on experience and contributing to meaningful projects. As a dedicated and adaptable team player, I am ready to immerse myself in a collaborative environment where I can make valuable contributions and continue to develop my expertise in frontend development.
